# Make Water Pure without using Electricity and Chemicals

KENT'S CRYSTAL has a unique UF Membrane whose pores are so fine, that they do not allow any bacteria or cysts to pass through – thus making the drinking water free of bacteria & viruses and pure without use of any chemicals like Chlorine, Bromine or Iodine.

Simply fill KENT CRYSTAL'S upper chamber with raw water (from Tap) and the magic of purification starts instantly.

Purification by UF Membrane & Nano Silver Coated Carbon

Besides Bacteria, Removes Cysts as well
