# KENT ELITE

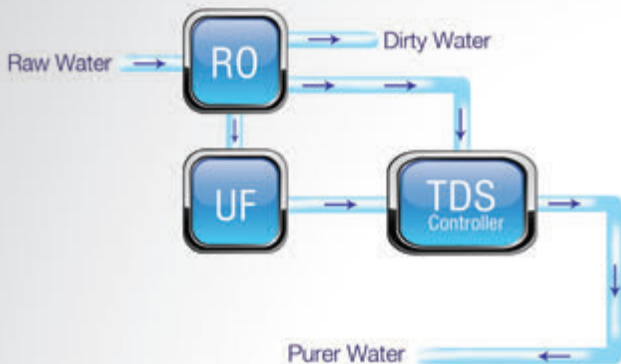

ONLINE PURIFICATION FOR WATER COOLERS

## Double purification by RO and UF with TDS Control System

World's most technologically advanced water purifier based on the ground-breaking KENT Technology

### The power of KENT Technology

KENT ELITE water purifier is based on the patented KENT Technology that removes even Dissolved Impurities while retaining essential natural minerals and offers double purification of RO followed by UF.

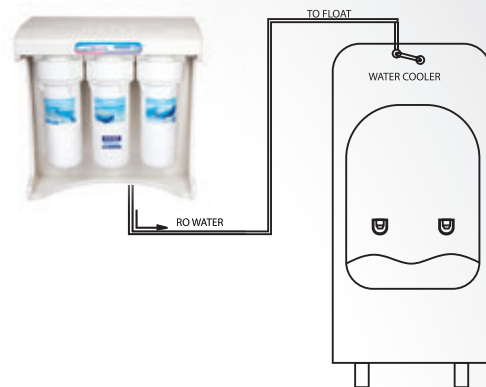

### KENT ELITE Features

Kent has the best water purification technology. It has advantages over other water purifiers as it offers you the following features:

- Suitable for attachment to water coolers.
- Double purification by RO + UF with TDS controller.
- Removes even Dissolved Impurities while retaining Essential Minerals
- Fully automatic operation with auto-start and auto-off.
- Spin-welded RO membrane housing that prevents tampering.
- Push-fit components for leak-proof & maintenance-free performance.
- Built-in SMPS that supports wide range of input voltage (100-300V AC) for handling voltage fluctuations.
- Equally suitable for water from all sources such as bore-wells, tanks or tap-water.

### Applications

- For under the counter/cooler installation and for refrigerator with water dispenser.
- Suitable for raw water from all types of sources like borewell, overhead storage tanks, water tankers and even municipal taps.

### Technical Specifications

Product	KENT ELITE Mineral RO™
Applications	Suitable for drinking water from all sources
Purification Capacity	Upto 25 L/hr
Body Material	ABS Food Grade Plastic
Mounting	Under the Counter
Dimensions(mm)	L 415 x W 222 x H 410
Min. Inlet Water Pressure / Temp.	0.3 kg/cm <sup>2</sup> or 4.267 psi/10° C
Max. Inlet Water Pressure / Temp.	3.0 kg/cm <sup>2</sup> or 42.67 psi/35° C
Filter Cartridge	Sediment, Activated Carbon, UF
UF Membrane	0.01-0.1 microns
RO Membrane	Thin Film Composite RO
Maximum Duty Cycle	150 L/day
Net Weight	14.200 kg
Total Power Consumption	60 W
Input Voltage	Single phase 100-250 V AC, 50 Hz <input type="checkbox"/>
