INTRODUCTION

We, at KENT have always believed that a clean and healthy life is the right of every individual. This ethos is what made us embark on the journey to develop innovative solutions for purifying the water that we drink, vegetables and fruits that we eat, the homes we live in and the air that we breathe.

Our use of innovative technology, supported by a competent service network, has enabled us to create a brand, which has become synonymous to well-being. Continuing with the tradition, we now present the all-new KENT Kettle Cum Flask .

KENT Kettle Cum Flask comes with double wall Stainless Steel body to keep water warm for longer duration. The bottom mounted heating plate allows 360° rotation for ease of use.

FEATURES OF KENT KETTLE CUM FLASK

1. 1.5 L capacity.
2. 360° rotation of body for ease of use.
3. Double wall SS body keeps the liquid inside warm for long.
4. 2 in 1 usage of boiling & serving.
5. Protection against overheating and dry-boiling.
6. LED Indicator for 'Switch-on/off'.
7. Concealed heating element with stainless steel cover ensures safety.
8. Auto switch-off function.

KNOW YOUR PRODUCT

ITEMS IN THE BOX

1. Electric Kettle Cum Flask : 1 No.
2. Base with Power Cord : 1 No.

USING KENT KETTLE CUM FLASK

- Check for any damage. Do not use in case found damaged
- Before switching on the appliance, ensure that your home's mains voltage corresponds to the unit's operating voltage
- When using for the first time, thoroughly clean all the parts (refer 'Cleaning & Maintenance' section)
- Ensure all the parts are completely dry before using the appliance
- Fill the kettle with normal water to the maximum fill mark. Do not over fill
- Close the lid, place the kettle over the power base and switch it on
- Do not immerse the appliance or its power base in water or any other liquid

HOW TO OPERATE

- Fill the kettle with normal water to the desired level and close the lid. Do not over fill. To prevent dry boiling, please fill at least 250 ml
- Place the kettle on the power base
- Plug in and switch on the kettle
- The LED will light up
- The water will start boiling in some time. Do not open the lid while water is boiling
- Once the water has boiled, the kettle will automatically switch off
- If boiled water is not required immediately, you may leave the kettle on the base and bring it to boil again later, when required
- Always ensure to turn off the appliance before releasing the kettle, from its base

CLEANING & MAINTENANCE

- Unplug kettle before cleaning it
- Gently wipe the exterior with a moist cloth and store dry
- Do not use any abrasive or solvent based cleaner
- Never put any part of the appliance in the dishwasher
- Do not immerse the appliance or its power base in water or any other liquid

PRECAUTIONS

- Do not disassemble, repair or alter the appliance on your own. It may cause appliance failure or breakdown
- The input voltage must not exceed the rating, as it might damage the appliance
- Unplug before cleaning/moving the appliance

- Do not use the appliance with a damaged power cord or plug
- If the power cord is damaged, replace it with a genuine KENT spare
- Do not install the appliance near any heat source, e.g., heater
- If the appliance is not in use for longer time, unplug it
- Do not sit on, stand on or shake the appliance
- Do not use the appliance in a recumbent or inclined position

IMPORTANT SAFETY INSTRUCTIONS

When using an electrical appliance, basic precautions should always be followed, including the following:

1. Unplug when not in use and before servicing.
2. Do not touch the hot surface of the appliance.
3. To reduce the risk of electric shock, do not use near or on wet surfaces.
4. Use the appliance only as described in the manual.
5. Do not use the appliance if the cord or plug is damaged or worn out. Replace the damaged cord or plug immediately.
6. Do not try to service the appliance on your own. Send it to an authorised service centre only.
7. Keep the cord away from heated surfaces.
8. Do not unplug the appliance by pulling the cord. Always unplug by pulling the plug and not the cord.
9. To avoid electric shocks, do not use the appliance with wet hands.
10. Turn off before unplugging.
11. This appliance is suitable for indoor use only.
12. Keep away from children.

13. The appliance is not designed to be used by people who are physically or mentally disabled, mentally handicapped, or lack relevant experience and knowledge, unless a person responsible for their safety is present for supervision or guidance.

TROUBLESHOOTING

PROBLEM	POSSIBLE CAUSE	POSSIBLE SOLUTION
The appliance does not start.	There is a connection problem.	Check if the appliance is connected to the mains and if the plug is inserted firmly into the wall socket.
	The appliance is defective.	Switch-off the appliance and unplug it. Go to the nearest KENT authorized service centre for assistance.
The appliance suddenly stops working while running.	The appliance has over-heated.	Let the appliance cool down for 20 minutes before attempting to restart it.
	The appliance is defective.	Switch off the appliance and unplug it. Go to the nearest KENT authorised service centre for assistance.

TERMS & CONDITIONS OF WARRANTY

KENT warrants all new products manufactured by it to be free from defects in material and workmanship under normal usage and service from the date of purchase as under:

1. The Warranty period commences from the date of purchase by the first end-user. During this Warranty period of one year, KENT or its Authorized Service Provider (ASP) will replace or repair any part of the product that in the opinion of KENT or its ASP, would be defective in operation due to faulty material or workmanship (i.e. manufacturing defects) with the exception of consumables.
2. The product's body is not covered under Warranty and hence, it must be handled with care to guard against breakage.
3. The original purchaser of the unit can avail services under Warranty at the point of sale, by producing the damaged part(s) along with the original invoice.
4. This Warranty is void if the unit is not operated under normal conditions or according to the instructions given in the manual.
5. Product returned to KENT or its ASP for Warranty examination must be shipped freight prepaid.
6. KENT or its ASP shall not be held liable for claims exceeding the cost of repair of the defects in workmanship.
7. This Warranty Agreement shall not be interpreted to render KENT or its ASP liable for injuries or damages of any kind - direct, consequential or contingent to persons or property.
8. KENT or its ASP shall not be held responsible by representative or buyer for failure to abide by any of the obligations of this Warranty Agreement if such failures are the result of circumstances of Forces Majeures: such as, but not limited to, floods, earthquakes, transportation strikes, labour disputes with outside suppliers or any other conditions beyond the control of KENT or its ASP.
9. KENT or its ASP shall not be held liable for repair or alterations made without prior written approval; for products failures resulting from the lack of proper maintenance.
10. This Warranty Agreement excludes all products/ component parts or damage to any part of this product which, in the opinion of KENT or its ASP, have been subjected to misuse; misapplication; negligence; alteration; accident or operation contrary to our instructions, incompatibility with accessories not installed by KENT or its ASP, or that have been repaired with component parts other than those manufactured by or obtained from KENT or its ASP. Damage caused by freezing, flood, fire or Act of God is not covered by this Warranty. In all such cases regular charges will apply. This limited Warranty does not include service to diagnose a claimed malfunction in this unit.
11. KENT reserves the right to alter or improve design and specifications at any time, without any contingent obligations to prospective buyers or owners of the products previously sold.
12. Any disagreements and obligations based upon the purchase of KENT products and thereby imposed on KENT or its ASP shall be governed by and construed according to the laws of India and subject to the jurisdiction of Delhi Courts only.
13. KENT or its ASP assumes no Warranty liability in connection with this product other than that specified herein. This Warranty is in lieu of all other warranties, expressed or implied, including warranties of fitness for a particular purpose. KENT or its ASP does not authorize any person or representative to assume for them any other obligations on the sale of this product
14. Under no circumstances, the liability of KENT or its ASP shall exceed the value of the product.
15. Under no circumstances are the terms mentioned above negotiable and no employee of KENT or its ASP has the authority to supersede them.
