INTRODUCTION

We, at KENT, have always believed that a clean and healthy life is the right of every individual. This ethos is what made us embark on the journey to develop innovative solutions for purifying the water that we drink, the vegetables and fruits that we eat, the homes that we live in and the air that we breathe.

With the use of innovative technology and the support of a competent service network, we have been able to create a brand which has become synonymous with well-being and health. Continuing with this tradition, we now present the KENT Smart Mixer Grinder, a new age high-speed mixer cum blender for home that works like magic.

KENT Smart Mixer Grinder isn't just any other kitchen appliance. The glass jar ensures hygiene and the metal body of the main device makes it certain that it endures regular use for a longer period of time.

Above all, it saves time by doing food preparations smartly in minutes!
