INTRODUCTION

We, at KENT have always believed that a clean and healthy life is the right of every individual. This ethos is what made us embark on the journey to develop innovative solutions for purifying the water that we drink, vegetables and fruits that we eat, the homes we live in and the air that we breathe.

Our use of innovative technology, supported by a competent service network, has enabled us to create a brand, which has become synonymous to well-being. Continuing with the tradition, we now present the all new KENT Vogue Stainless Steel Electric Kettle, a modern day appliance for boiling water.

KENT Vogue Stainless Steel Electric Kettle comes with a stainless steel heating plate for efficient heat distribution. The bottom mounted heating plate allows 360° rotation for ease of use.
