

INDEPENDENT AUDITORS' REPORT

To the Members of **KENT RO SYSTEMS LIMITED**

Report on the audit of Standalone Financial Statements

Opinion

1. We have audited the accompanying Standalone financial statements of **KENT RO SYSTEMS LIMITED** (the 'Company') which comprise the Standalone Balance Sheet as at 31st March 2024, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Cash Flow Statement, the Standalone Statement of Changes in Equity for the year then ended and notes to the Standalone financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as the 'Standalone Financial Statements').
2. In our opinion, and to the best of our information and according to explanations given to us, the aforesaid standalone financial statements give the information as required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 and accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ('SA') specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit of Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

4. We draw attention to Note 53 and Note 54 of the standalone financial statements that describes contingent liabilities related to Directorate General of GST Intelligence ("DGGI") matter and certain income tax matters.

For DGGI matter mentioned in note no. 53, the Company has initiated legal proceedings by filing a writ petition with Uttarakhand High Court challenging the demand raised following a search operation. Regarding income tax matters mentioned in note no. 54, the Company has filed appeals against certain tax demands.

Delhi • Pune • Bengaluru

Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

We have evaluated the adequacy of disclosures related to these matters in the financial statements and accompanying notes and consider them appropriate. Our opinion is not modified in respect of these matters.

Key audit matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
6. As per Standard on Auditing ('SA') 701 on 'Communicating Key Audit Matters in the Independent's Auditor's Report', reporting of Key audit matters is mandatory for listed companies. Since Company is unlisted, hence reporting under SA 701 is not applicable to the Company.

Information other than the Standalone Financial Statements and Auditor's Report thereon

7. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including the Annexures to the Board's Report but does not include the financial statements and our auditor's report thereon.
8. Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.
9. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
10. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Standalone Financial Statements

11. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under the section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

12. In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so
13. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditors' Responsibilities for the audit of standalone financial statements

14. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
15. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
16. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

17. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

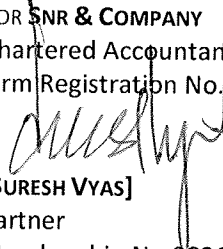

18. As required by Section 197(16) of the Act, we report that the Company has paid remuneration to its Directors in accordance with the requisite approvals mandated by the provisions of the Act and limit laid down under Section 197 read with Schedule V of the Act.
19. As required by the Companies (Auditors' Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
20. As required by section 143(3) of the act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of accounts as required by law have been kept by the company so far as appears from our examination of those books except for not complying with the requirement of audit trail as stated in paragraph 20(h)(vi) below;
 - c) The standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards notified under the Section 133 of the Act;
 - e) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 20(b) above on reporting under Section 143(3)(b) of the Companies Act, 2013 and paragraph 20(h)(vi) below on reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014, as amended
 - f) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164((2) of the Act;
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company, as detailed in Note 38 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position;

Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv) a) the management has represented that, to the best of it's knowledge and belief, as disclosed in note 57(xiii) to the accompanying standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- iv) b) the management has represented, that, to the best of it's knowledge and belief, as disclosed in note 57(xiii) to the accompanying standalone financial statements, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- iv) c) nothing has come to their notice that has caused them to believe that the representations under sub-clause (iv a) and (iv b) above contain any material mis-statement;
- v) The company has not declared or paid any dividend during the year; and
- vi) Based on information received from management, the company has implemented feature of recording audit log in the accounting software used by the Company for maintaining its books of account with effect from 24th August 2024, as highlighted in note 55 of standalone financial statements. As proviso to rule 3(1) of Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from 1st April 2023, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the year ended 31st March 2024.

Annexure A to Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

Annexure A

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

1.
 - (a) The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment. Further, the Company has maintained proper records showing full particulars of intangible assets.
 - (b) The company has a regular program of physical verification of its property, plant and equipments under which a portion of the property, plant and equipments has been physically verified by the management during the year and no material discrepancies have been noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
 - (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no revaluation has been carried out by the Company with respect to its property, plant and equipment and/or intangible assets.
 - (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, no proceedings have been initiated or are pending against the Company under Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
2.
 - (a) In our opinion, the physical verification of inventory, except for goods in transit, has been conducted at reasonable intervals during the year by the management. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed.
 - (b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, the provisions of clauses 3(ii)(b) of the Order are not applicable

(This space has been intentionally left blank)

Annexure A to Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

3. (a) The Company, during the year, has provided loans to Subsidiaries/ Joint Ventures/Associates/Others, as per details given below :-

(Amount in Rupees Lakhs)

	Guarantees	Security	Loans	Advances in the nature of loans
Aggregate amount granted/provided during the year	-	-	-	-
Others	-	-	376.00	-
Balance outstanding as at balance sheet date in respect of above cases				
Others	-	-	1,516.46 (Refer note 1 and 2 below)	-

Note 1 :It also includes balance outstanding of loans given in earlier years along with interest accrued on said loans.

Note 2 : Company has made provision of Rs. 680.66 Lakhs in respect of one loan which has become overdue in financial year 2022-23.

(b) In our opinion, and according to the information and explanations given to us, the investments made and terms and conditions of the grant of all loans are, prima facie, not prejudicial to the interest of the Company. Further, the Company has not provided any guarantee or given any security during the year.

(c) In respect of loans granted by the Company, the schedule of repayment of principal and interest has been stipulated. However, during the year, the repayment of interest is not regular in respect of certain loans, details of which are as follows:

Name of the entity	Amount (Rs. in Lakhs)	Due date	Extent of delay	Remarks, if any
Sarg Media Holding Private Limited	48.02	Multiple Dates	Not recovered yet	In also includes Opening interest recoverable of 12.02 Lakhs
Arshad Nizam	3.14	16 th November 2023	Not recovered yet	Interest overdue
Amit Gupta	5.79	04 th March 2024	Not recovered yet	Interest overdue
Sumeru Verde	29.53	Multiple Dates	Not recovered Yet	Entire amount is carried forward from previous financial year. Company has made full provision against such loan during FY 2022-23

Annexure A to Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

(d) There is no overdue amount in respect of loans granted to such other parties except for following :

No. of cases	Principal amount overdue (Rs. in Lakhs)	Interest overdue (Rs. in Lakhs)	Total overdue (Rs. in Lakhs)	Remarks (if any)
4	651.13	86.48	737.61	The company has made provision of INR 680.66 Lakhs against the said overdue amount

Company has done regular follow ups with borrower for recovery of aforesaid amount.

(e) Company has not renewed any loan or advance in the nature of loan except for the one party mentioned below which has fallen due during the year. Further, no fresh loans were granted to any party to settle the overdue loans/advances in nature of loan.

Name of parties	Aggregate amount of loans or advances in the nature of loans granted during the year (Rs. in Lakhs)	Aggregate overdue amount settled by renewal or extension or by fresh loans granted to same parties (Rs. in Lakhs)	Percentage of the aggregate to the total loans or advances in the nature of loans granted during the year (Rs. in Lakhs)
Sarg Media Holding Private Limited	-	400.00	106.38

(f) The Company has not granted any loans or advances in the nature of loans, which are repayable on demand or without specifying any terms or period of repayment.

4. In our opinion, the Company has not entered into any transaction covered under Section 185 of the Act in respect of loans, guarantees and security. In our opinion, the Company has complied with the provisions of Section 186 except loan granted at lower interest rate then specified in the Act, in respect of grant of loans, making investment and providing guarantees and securities, as applicable.

S.no	Non- Compliance of Section 186			Remarks	
		Name of Party	Amount Involved (Rs. In Lakhs)		Balance as at balance sheet date (Rs. In Lakhs)
1	Investment through more than two layers of investment companies	-	-	-	
2	Loan given or guarantee given or security provided or acquisition of securities exceeding the limits	-	-	-	

Annexure A to Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

	without prior approval by means of a special resolution				
3	Loan given at rate of interest lower than prescribed	CRC Greens Pvt Limited	376.00	378.83	*refer Note below
4	Any other default	-	-	-	

*The Company has granted the loan at 6% per annum. However, the company additionally has a right to own the property in the project of CRC Greens Private limited upon receipt of RERA registration by the CRC Greens Private limited.

5. In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there is no amount which has been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.
6. We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
7. (a) Undisputed statutory dues including goods and service tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
(b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Amount (Rs. in lacs)	Period to which the amount relates	Forum where dispute is pending
Goods and Service Tax Act, 2017	Goods and service tax	1,752.28 (Refer note 1 below)	July 2017 to December 2019	Uttarakhand High Court
Income Tax Act, 1961	Income Tax	20.49	Assessment year 2022-23	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	42.63	Assessment Year 2021-22	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	66.89	Assessment Year 2020-21	Commissioner of Income Tax (Appeals)

Annexure A to Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

Income Tax Act, 1961	Income Tax	47.77	Assessment Year 2019-20	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	26.83	Assessment Year 2018-19	Commissioner of Income Tax (Appeals)
Income Tax Act, 1961	Income Tax	31.31	Assessment Year 2017-18	Commissioner of Income Tax (Appeals)
Goods and Service Tax Act, 2017	Goods and Service Tax	11.46	Financial Year 2022-23	Joint Commissioner (Appeal) – 1, Dehradun

Note 1 – Company has deposited an amount of Rs. 1,752.08 Lakhs under protest against said demand

8. According to the information and explanations given to us and on the basis of our examination of the records of the Company, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been recorded in the books of accounts.
9. (a) According to the information and explanations given to us, the Company has taken overdraft facilities from certain banks, in respect of which, Company has not defaulted in payment of interest thereon.
 (b) According to the information and explanations given to us including representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.
 (c) According to the information and explanations given to us, Company has not raised any money by way of term loans. Accordingly reporting under clause 3(ix) (c) of the Order is not applicable to the Company.
 (d) In our opinion and according to the information and explanations given to us, and on an overall examination of the standalone financial statements of the Company, funds raised by the Company on short term basis have not been utilised for long term purposes.
 (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or joint venture.
 (f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries or joint venture.
10. (a) The Company has not raised moneys by way of Initial public offer or further public offer (including debt instruments). Accordingly, the provisions of clause 3(x)(a) of the Order are not applicable.

Annexure A to Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

- (b) During the year, the Company has not made any preferential allotment/private placement of shares or fully or partly convertible debentures. Accordingly, the provisions of clause 3(x)(b) of the Order are not applicable.
11. (a) and (b) No material fraud by the Company or on the Company has been noticed or reported during the period covered by our audit. Accordingly, the provisions of clause 3(xi)(a) and clause 3(xi)(b) of the Order are not applicable.
- (c) No whistle blower complaints has been noticed or reported during the period covered by our audit. Accordingly, the provisions of clause 3(xi)(c) of the Order are not applicable.
12. In our opinion, the Company is not a Nidhi Company. Accordingly, the provisions of clause 3(xii) of the Order are not applicable.
13. In our opinion, all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.
14. (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
15. In our opinion and according to information and explanations given to us, the Company has not entered into any non-cash transactions with the directors or person connected with him covered under Section 192 of the Act.
16. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, the provisions of Clause 3(xvi)(a) of the Order are not applicable.
- (b) The Company is not engaged in business of any Non-Banking Financial or Housing Finance activities. Accordingly, the provisions of Clause 3(xvi)(b) of the Order are not applicable.
- (c) and (d) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the provisions of Clause 3(xvi)(c) and Clause 3(xvi)(d) of the Order are not applicable.
17. The Company has not incurred cash losses in the current and in the immediately preceding financial year.
18. There has been no resignation of statutory auditor during the period covered by our audit. Accordingly, the provisions of Clause 3(xviii) of the Order are not applicable.
19. According to information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and Management plans, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when

Annexure A to Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. According to the information and explanations given to us, the Company does not have any unspent amount in respect of any ongoing or other than ongoing project as at the expiry of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
21. There have been no qualification or adverse remark being made by us in the Companies (Auditor's Report) Order 2020 (CARO) of the subsidiary company included in consolidated financial statements of the Company.

Annexure B to Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

Annexure B

Independent Auditor's Report on the Internal Financials Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the 'Act')

1. We have audited the internal financial controls over financial reporting ('IFCoFR') of Kent RO Systems Limited (the 'Company') as of 31st March 2024, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on the Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation, and maintenance of adequate internal financials that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with Guidance Note and the Standards on Auditing (the 'Standards'), issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit the preparation of financial

Annexure B to Independent Auditors' report to the members of Kent RO Systems Limited on the standalone financial statements for the year ended 31st March 2024

statements in accordance with generally accepted accounting principles, and that receipt and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

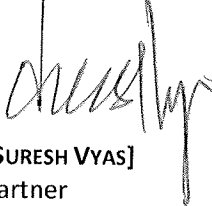

Opinion

8. In our opinion, the Company has, in all material respects, an adequate IFCoFR and such IFCoFR were operating effectively as at 31st March 2024, based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Kent RO Systems Limited

Notes to the standalone financial statements for the year ended 31st March 2024

1 Company overview

Kent RO Systems Limited was incorporated on 12th April 2007. The company is engaged in manufacturing of healthcare products including water purifiers, air purifiers, Fans & Kitchen ware appliances etc. at its manufacturing facilities at following locations:

- i) Bantakheri, Roorkee, Dist. Haridwar (Uttarakhand),
- ii) Sector - 59, Noida (Uttar Pradesh) and
- iii) Sector - 87, Noida (Uttar Pradesh)
- iv) Sector - 155, Noida (Uttar Pradesh)

2 Accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these Indian Accounting standards (Ind-AS) Standalone financial statements. These policies have been consistently applied to all the years except where newly issued accounting standard is initially adopted.

2.1 Statement of Compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2.2 Basis of preparation and presentation

The standalone financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

The Financial Statement are presented in INR and all values are rounded off to Rupees Lakhs unless otherwise stated.

The financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair values as explained in relevant accounting policies.

The Company reclassifies comparative amounts, unless impracticable and whenever the Company changes the presentation or classification of items in its Financial Statements materially. No such material reclassification has been made during the year.

2.3 Recent Accounting pronouncements

Ministry of Corporate Affairs ('MCA') notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31st March, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

2.4 Summary of Material Accounting Policies

Ind AS 1 was amended vide notification no G.S.R.242(E) dated 31st March 2023 to require disclosure of Material Accounting Policy information from accounting periods beginning on or after 1 April 2023 instead of significant accounting policy disclosure by amending paragraph 117, inserting paragraphs 117A to 117E and deleting paragraphs 118 to 121. Paragraph 117 of Ind AS 1 states when an information on accounting policy is considered as 'Material Accounting Policy information' as follows:

Accounting policy information is material if, when considered together with other information included in an entity's financial statements, it can reasonably be expected to influence decisions that the primary users of general-purpose financial statements make on the basis of those financial statements.

Kent RO Systems Limited
Notes to the standalone financial statements for the year ended 31st March 2024

2.4.1 Revenue recognition

Sales of goods

Revenue from sale of products is recognised when control of products being sold is transferred to customer and when there are no longer any unfulfilled obligations. The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

The Company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods to a customer, excluding amounts collected on behalf of third parties (for example taxes collected on behalf of government). The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

The transaction price is allocated by the Company to each performance obligation in an amount that depicts the amount of consideration to which it expects to be entitled in exchange for transferring the promised goods to the customer.

For each performance obligation identified, the Company determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at a point in time.

When either party to a contract has performed its obligation, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment.

Sale of services

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Export Incentives

Income from export incentives are recognised on accrual basis when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist.

Interest and dividends

Interest income is recognised on an accrual basis using the effective interest method. Dividends are recognised at the time the right to receive the payment is established. Other income is recognised when no significant uncertainty as to its determination or realisation exists.

2.4.2 Property plant and equipments

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. These tangible assets are held for use in production, supply of goods or services or for administrative purposes.

Cost comprises purchase cost, freight, duties, taxes and other expenses directly incidental to acquisition, bringing the asset to the location and installation including site restoration up to the time when the asset is ready for intended use. Such costs also include borrowing cost if the recognition criteria are met.

When a major inspection/repair occurs, its cost is recognized in the carrying amount of the property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of previous inspection/repair is derecognized. All other repair and maintenance are recognized in the Standalone Statement of Profit and Loss as incurred.

Depreciation on property, plant and equipment is provided over the useful lives of assets as specified in Schedule II to the Act except where the Management, has estimated useful life of an asset supported by the technical assessment, external or internal i.e., higher or lower from the indicative useful life given under Schedule II. The Management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

(This space has been intentionally left blank)

Kent RO Systems Limited
Notes to the standalone financial statements for the year ended 31st March 2024

2.4.2 Property plant and equipments (contd')

Depreciation is calculated on a written down value basis over the estimated useful lives of the assets as follows:

Asset category	Estimated useful life (in years)
Electrical installation	10
Plant and machinery	15
Vehicles	8 to 10
Furnitures and fixtures	10
Office equipments	5
Computers	3
Moulds	15
Buildings - RCC frame structure	60
Building - Other than RCC frame structure	30

The residual value and useful life is reviewed annually and any deviation is accounted for as a change in estimate.

Components relevant to property, plant and equipment, where significant, are separately depreciated on written down value basis in terms of their life span assessed by technical evaluation in item specific context.

During disposal of property, plant and equipment, any profit earned / loss sustained towards excess / shortfall of sale value vis-à-vis carrying cost of assets is accounted for in Standalone Statement of Profit and Loss.

2.4.3 Capital work in progress and Intangible assets under development

Capital work in progress and intangible assets under development represents expenditure incurred in respect of capital projects/intangible assets under development and are carried at cost. Cost comprises of purchase cost, related acquisition expenses, development/construction costs and other direct expenditure.

2.4.4 Impairment of financial assets

The Company assesses at each date of Balance Sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

2.4.5 Financial instruments

Financial assets

Trade Receivables

Trade receivables are initially recognised at transaction price. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Investments in equity instruments of subsidiaries

Investments in equity instruments of subsidiaries are accounted for at cost in accordance with Ind AS 27 'Separate Financial Statements'.

Investments in other equity instruments

Investments in equity instruments which are held for trading are classified as at fair value through profit or loss ('FVTPL'). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL'). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers the cumulative gain or loss within equity. Dividends on such investments are recognized in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

Other Financial assets

Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs.

Subsequent measurement

i) Financial assets carried at amortised cost

The financial asset is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii) Financial assets at fair value through other comprehensive income

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income ('OCI'). Interest income measured using the EIR method and impairment losses, if any are recognized in the Standalone Statement of Profit and Loss. On de-recognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Standalone Statement of Profit and Loss.

iii) Financial assets at fair value through profit and loss

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognised in the statement of profit and loss.

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

(This space has been intentionally left blank)

Kent RO Systems Limited
Notes to the standalone financial statements for the year ended 31st March 2024

2.4.5 Financial instruments (contd')

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. These liabilities are classified at amortised cost.

Subsequent measurement

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. These liabilities include borrowings.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

2.4.6 Fair value measurement

The Company measures financial instruments at fair value at each Standalone Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability; or

In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

2.4.7 Leases

Where the Company is the Lessee

Right of use assets and lease liabilities

For any new contracts entered into on or after 1st April, 2019, (the transition approach has been explained and disclosed in Note 43) the Company considers whether a contract is, or contains a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'.

Classification of leases

The Company enters into leasing arrangements for various assets. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/purchase etc.

Recognition and initial measurement

At lease commencement date, the Company recognizes a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

Subsequent measurement

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

At lease commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed payments) and variable payments based on an index or rate. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset.

The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognizing a right-of-use asset and lease liability, the payments in relation to these are recognized as an expense in standalone statement of profit and loss on a straight-line basis over the lease term.

2.4.8 Inventories

Inventories are valued at the lower of cost or net realizable value. Cost includes purchase price, duties, transport, handling costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition.

The basis of determination of cost is as follows:

Raw material valued on moving weighted average basis;

Finished goods valued at cost of input valued at moving weighted average basis plus appropriate overheads.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

(This space has been intentionally left blank)

Kent RO Systems Limited
Notes to the standalone financial statements for the year ended 31st March 2024

2.4.9 Employee benefits

Defined contribution plans

Provident fund benefit and Employee insurance benefits are defined contribution plans under which the Company pays fixed contributions into funds established under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 and Employees State Insurance Act, 1948 respectively.. The Company has no legal or constructive obligations to pay further contributions after payment of the fixed contribution.

Defined benefit plans

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date less the fair value of plan assets, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of OCI in the year in which such gains or losses are determined.

Other long-term employee benefits

Liability in respect of compensated absences is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of OCI in the year in which such gains or losses are determined.

Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

2.4.10 Income taxes

Tax expense recognised in statement of profit and loss comprises the sum of deferred tax and current tax not recognised in Other Comprehensive Income ('OCI') or directly in equity.

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income-tax Act. Current income-tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in OCI or in equity).

Deferred income-tax is calculated using the liability method. Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss, unused tax credits or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Deferred tax assets or liability arising during tax holiday period is not recognised to the extent it reverses out within the tax holiday period. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in OCI or in equity).

(This space has been intentionally left blank)

Kent RO Systems Limited
Notes to the standalone financial statements for the year ended 31st March 2024

2.4.11 Provisions, contingent assets and contingent liabilities

Provisions are recognised only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- I) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- II) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognized. However, when inflow of economic benefit is probable, related asset is disclosed.

2.4.12 Provision for warranty

The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on products failures. The timing of outflows will vary as and when warranty claims arise-being typically up to one year.

As per the terms of the contracts, the company provides post-contract services/warranty support to its customers. The company accounts for the post-contract support/provision for warranty on the basis of the information available with the Management duly taking into account the current and past technical estimates.

2.4.13 Foreign currency transactions and translations

Initial recognition

The Company's financial statements are presented in INR, which is also the Company's functional currency. Transactions in foreign currencies are recorded on initial recognition in the functional currency at the exchange rates prevailing on the date of the transaction.

Measurement at the balance sheet date

Foreign currency monetary items of the Company, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Treatment of exchange difference

Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.

2.4.14 Operating expenses

Operating expenses are recognised in profit or loss upon utilisation of the service or as incurred.

2.4.15 Cash and cash equivalents

For the purpose of the Standalone Statement of Cash Flows, Cash and cash equivalents comprise cash in hand, demand deposits with banks/corporations and short-term highly liquid investments (original maturity less than 3 months) that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

2.5 Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures.

Significant management judgements and estimates

The following are significant management judgements and estimates in applying the accounting policies of the Company that have the most significant effect on the financial statements.

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilised.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Recoverability of advances/receivables – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Useful lives of depreciable/amortizable assets – Management reviews its estimate of the useful lives of depreciable/amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets

Provisions - At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

(This space has been intentionally left blank)

2.5 Significant management judgement in applying accounting policies and estimation uncertainty (contd')

Classification of leases - The Company enters into leasing arrangements for various premises. The assessment (including measurement) of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/terminate etc. After the Commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to extend or to terminate.

Contingencies - Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, (refer note 40). By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments by management and the use of estimates regarding the outcome of future events.

Inventories - The Company estimates the net realizable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realization of these inventories may be affected by future demand or other market-driven changes that may reduce future selling prices.

Income taxes - The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions (refer note 35). The extent to which deferred tax assets/minimum alternate tax credit can be recognized is based on management's assessment of the probability of the future taxable income against which the deferred tax assets/minimum alternate tax credit can be utilized.

(This space has been intentionally left blank)

2.6 Other Accounting Policy Information

2.6.1 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current when it is:

- i) Expected to be realised or intended to sold or consumed in normal operating cycle
- ii) Held primarily for the purpose of trading
- iii) Expected to be realised within twelve months after the reporting period, or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the

All other assets are classified as non-current.

A liability is classified as current when:

- i) It is expected to be settled in normal operating cycle
- ii) It is held primarily for the purpose of trading
- iii) It is due to be settled within twelve months after the reporting period, or
- iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.6.2 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost of acquisition. The cost comprises of purchase price and directly attributable costs of bringing the assets to its working condition for intended use. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. In case of internally generated assets, measured at development cost subject to satisfaction of recognition criteria (identifiability, control and future economic benefit) in accordance with Ind AS 38 'Intangible Assets'.

Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any.

Intangible assets with finite lives are amortized on a straight line value basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the Standalone Statement of Profit and Loss.

Amortization of intangible assets such as softwares is computed on a straight line value basis, at the rates representing estimated useful life or 6 years, whichever is lower.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all its intangible assets recognised as at 1 April 2015 measured as per the provisions of previous GAAP and use that carrying value as the deemed cost of property, plant and equipment.

2.6.3 Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. All assets are subsequently reassessed for indications that an impairment loss previously recognised may no longer exist. An impairment loss is reversed if the asset's or cash-generating unit's recoverable amount exceeds its carrying amount.

2.6.4 Operating segments

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ('CODM') of the Holding Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Group.

2.6.5 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events including a bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.6.6 Research and development

Expenditure on research is recognized as an expense when it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred.

Items of property, plant and equipment and acquired intangible assets utilized for research and development are capitalized and depreciated / amortized in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets.

2.6.7 Borrowing costs

Borrowing costs directly attributable to the acquisitions, construction or production of a qualifying asset are capitalised during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred and reported in finance costs.

Nature and purpose of other reserves

Securities premium account

Securities premium account is used to record the premium on issue of shares/securities. This amount is utilised in accordance with the provisions of the Companies Act, 2013.

General reserve

The Company appropriates a portion to general reserves out of the profits either as per the requirements of the Companies Act 2013 ('Act') or voluntarily to meet future contingencies. The said reserve is available for payment of dividend to the shareholders as per the provisions of the Act.

Other comprehensive income

Remeasurements of defined benefit plans represents the following as per Ind AS 19, Employee Benefits:

- (a) actuarial gains and losses;
- (b) the return on plan assets, excluding amounts included in net interest on the net defined benefit liability (asset); and
- (c) any change in the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability (asset).

Surplus in the Statement of Profit and Loss

Surplus in the Statement of Profit and Loss represents the profit that the company has earned till date of reporting.

Defined contribution plans

The Company makes contribution towards employees' provident fund and employees' state insurance plan scheme. Under the schemes, the Company is required to contribute a specified percentage of payroll cost, as specified in the rules of the schemes, to these defined contribution schemes. During the year, the Company recognized Rs. 717.20 Lakhs (previous year Rs. 758.67 Lakhs) as expense towards contributions to these plans and included in "Employee benefits expense" in Note 32.

36 Provision Movement

36.1 Provision for Warranty

The movement in the provision for warranty during the year is as under:

Particulars	Balance as at 1st April 2023	Provision during the year	Utilized during the year	Reversal during the year	Balance as at 31st March 2024
Provision for warranty	290.93	1,184.67	1,162.19	-	313.41

Closing warranty expense is calculated based on historical data of replacement cost and is provided in the year of sale. Since the company provides warranty for one year only, it is expected that the most of expenses against the provision will be incurred within one year only.

36.2 Provision for Installations and Service Charges

The movement in the provision for Installations and Service Charges during the year is as under:

Particulars	Balance as at 1st April 2023	Provision during the year	Utilized during the year	Reversal during the year	Balance as at 31st March 2024
Installations and Service Charges	1,375.83	1,849.76	1,603.56	-	1,622.03

Closing Installation and Services Charges expense is calculated based on historical data of replacement cost and is provided in the year of sale. Since the company provides Installation of machine within four months from sale and Services Charges for four years only, it is expected that the most of expenses against the provision will be incurred within four years only.

- 37 The Ministry of Micro, Small and Medium Enterprises has issued an Office Memorandum dated 26th August 2008 which recommends that the Micro and Small Enterprises should mention in their correspondence with its customers the Entrepreneurs Memorandum Number as allocated after filing of the Memorandum. Capital Commitment

Estimated amount of contracts, net of advances, remaining to be executed on capital account and which have not been provided for in the standalone financial statements, aggregate to Rs 11,452.64 Lakhs (Previous Year Rs. 6,811.94 Lakhs).

39 Ind AS 115 - Revenue from contract with customers

Disaggregation of revenue

The Company has performed a disaggregated analysis of revenues considering the nature, amount, timing and uncertainty of revenues.

Revenue from operations	For the year ended 31st March 2024	For the year ended 31st March 2023
Sale of products		
Sales of manufactured goods	99,901.58	95,819.30
Sales of traded goods	16,197.59	10,909.48
	1,16,099.17	1,06,728.78
Sale of Services		
Maintenance charges	1,558.81	1,557.34
Total	1,17,657.98	1,08,286.12

Reconciliation of revenue from operations recognised in Statement of Profit and Loss with Contract price

Description	For the year ended 31st March 2024	For the year ended 31st March 2023
Contract price	1,18,412.52	1,10,508.44
Less: Rebates and discounts	754.55	2,222.32
Total	1,17,657.98	1,08,286.12

40 Reconciliation of liabilities arising from financing activities pursuant to Ind AS 7- Cash Flow

The table below details change in the Company's liabilities arising from financing activities, including both cash and non cash changes. Liabilities arising from financing activities are those for which cash flows where, or future cash flows will be, classified in the Company's statement of cash flows as cash flows from financing activities.

Particulars	Opening balance as at 1st April 2023	Booking of lease liability at time of its initial recognition	Interest expense accrual	Deletion due to termination of Lease	Financing cash flows	Closing balance as at 31st March 2024
Lease liabilities	377.01	201.28	31.04	(8.30)	(238.81)	362.21
Borrowings	1,343.02	-	-	-	(1,277.15)	65.87

(This space has been intentionally left blank)

KENT RO SYSTEMS LIMITED**Notes to the standalone financial statements for the year ended 31 March 2024***(All amounts in Rupees Lakhs unless otherwise stated)***41 Leases**

The Company leases a number of buildings. Extension and termination options are included in a number of leases across the Company. The majority of extension and termination options held are exercisable only by the Company and not by the respective lessor. The Company assesses at lease commencement whether it is reasonably certain to exercise the extension or termination option. The Company re-assesses whether it is reasonably certain to exercise options if there is a significant event or significant change in circumstances within its control. The Company's leases mature between 2024 and 2028. When measuring lease liability, the Company discounted lease payments using its incremental borrowing rate. The weighted average rate applied is 8.43% for lease executed in financial year 2019-20, 7.55% for lease executed in financial year 2020-21, 7.30% for lease executed in financial year 2021-22, 7.88% for lease executed in financial year 2022-23 & 8.65% for lease executed in financial year 2023-24.

i) Lease liabilities are presented in the balance sheet as follows:

Particulars	As at 31st March 2024	As at 31st March 2023
Current	180.47	211.12
Non-current	181.74	165.89
Total	362.21	377.01

ii) The following are amounts recognised in Standalone Statement of Profit and Loss:

Particulars	For the year ended 31st March 2024	For the year ended 31st March 2023
Depreciation expense of right of use asset	554.02	531.07
Interest expense on lease liabilities	31.04	26.44
Rent expense (relating to payments not included in measurement of lease liability on account of lease being short term lease/ Variable lease payments)	73.45	41.60
Total	658.51	599.10

iii) Total cash outflow for the leases for the year ended 31st March 2024 was Rs.238.81 Lakhs (previous year Rs. 224.90 Lakhs)

iv) The table below describes the nature of the Company's leasing activities by type of right-of-use asset recognised on balance sheet:

Right of use asset	No. of right of use asset leased	Range of remaining term (in years)	Average remaining lease term (in years)
Office building , warehouse and factory building	34	0 to 5	1.68
Lease hold land	39	50 to 90	74.41

v) The below table provides the movement of right-of-use assets:

Particulars	As at 31st March 2024	As at 31st March 2023
Balance at the beginning of the year	26,764.29	23,853.98
Add: Additions on account of new leases entered during the year	2,231.39	3,472.66
Less: Depreciation charged on the right-of-use assets	554.02	531.07
Less: Disposals/Reclass during the year	3.23	31.28
Balance at the end of the year	28,438.42	26,764.29

vi) Lease payments not recognised as a liability

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Expenses relating to short term leases (included in other expenses)	71.53	38.13

The following table details the Company's sensitivity to 1% increase and decrease in the 'Rs.' against the foreign currency

Foreign Currency	31st March 2024	31st March 2023
<i>USD sensitivity</i>		
USD increases by 1% when compared with INR	1.60	(3.24)
USD decreases by 1% when compared with INR	(1.60)	3.24

45 Segment Reporting

The Company is primarily engaged in the business of manufacturing home appliances. Hence, as per the chief operating decision maker the sale of purifiers has been considered as a single operating segment per Ind AS 108 'Operating Segment' and accordingly disclosures have been limited to single operating segment.

46 The Company believes that responsible and sustainable business plays an important role in building a healthy and thriving society. As part of its commitment to doing business responsibly and sustainably, the Company strives to enhance Education and access to healthcare and promotion of Arts and Cultural programme.

As a part of its Corporate Social Responsibility obligation, the Company undertook several initiatives during the year towards Education of poor children and access to healthcare and promotion of arts and cultural programme, details of which are mentioned in the schedule below:

	2023-24	2022-23
A. Gross amount required to be spent by the company during the year	386.23	376.04
B. Amount of Expenditure incurred and nature of CSR activities during the year	200.00	1,141.48

f. Carry forward at the end of the year	579.21	765.44

47 Financial Instruments

Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates.

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The level within which the financial asset or liability is classified is determined based on the lowest level of significant input to the fair value measurement.

There are no financial liabilities measured at Fair Value as at 31st March 2024 and 31st March 2023.

The financial assets measured at fair value in the statement of financial position are grouped into the fair value hierarchy as on 31st March 2024 and 31st March 2023 as follows:

	Level 1	Level 2	Level 3	Total
As at 31st March 2024				
Investments in equity shares	8,258.15	-	2,165.21	10,423.36
Investments in Preference shares	-	-	998.00	998.00
Investments in Mutual Funds	9,608.01	-	-	9,608.01
	17,866.17	-	3,163.21	21,029.38
As at 31st March 2023				
Investments in equity shares	6,196.39	-	2.71	6,199.10
Investments in Preference shares	-	-	998.00	998.00
Investments in Mutual Funds	3,930.54	-	-	3,930.54
	10,126.94	-	1,000.71	11,127.65

The fair value of investments in quoted equity instruments is based on the current bid price of respective investments as at the balance sheet date.

a) The carrying value of trade receivables, securities deposits, loans given, cash and bank balances and other financial assets recorded at amortised cost, is considered to be a reasonable approximation of fair value.

b) The carrying value of borrowings, trade payables and other financial liabilities recorded at amortised cost is considered to be a reasonable approximation of fair value.

ii) Risk management

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of the same in the financial statements.

(i) Foreign currency risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to US Dollar. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Company's functional currency. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies to manage its risks.

The Company's foreign currency exposure on accounts payable that have not been hedged by a derivative instrument or otherwise are given in note no. 44.

Foreign currency sensitivity

There shall be no material impact on profit before tax due to 1% increase/decrease in foreign exchange rates.

(ii) Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Company causing financial loss. It arises from cash and cash equivalents, derivative financial instruments, deposits from financial institutions and principally from credit exposures to customers relating to outstanding receivables. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognized at reporting date.

The Company continuously monitors defaults of customers and other counterparties, identified either individually or by the Company, and incorporates this information into its credit risk controls. The Company's policy is to deal only with creditworthy counterparties.

The Trade receivables of the Company are typically noninterest bearing un-secured and derived from sales made to a large number of independent customers. As the customer base is widely distributed both economically and geographically, there is no concentration of credit risk.

The Company performs on-going credit evaluations of its customers' financial condition and monitors the credit-worthiness of its customers to which it grants credit in its ordinary course of business. The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amount due. Where the financial asset has been written-off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit and loss.

The credit risk for cash and cash equivalents, bank deposits, loans is considered negligible.

Company provides for expected credit losses on financial assets by assessing individual financial instruments for expectation of any credit losses. Since the assets have very low credit risk, and are for varied natures and purpose, there is no trend that the company can draw to apply consistently to entire population. For all financial assets, the Company's policy is to provides for 12 month expected credit losses upon initial recognition and provides for lifetime expected credit losses upon significant increase in credit risk. The Company does not have any expected loss based impairment recognised on such assets considering their low credit risk nature.

(iii) Liquidity risk

Liquidity risk refers to the risks that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company consistently generated sufficient cash flows from operations to meet its obligations as and when that fall due.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments:

As at 31st March 2024

Particulars	Less than 1 year	More than 1 year	Total
Borrowings	65.87		65.87
Trade payables	7,061.30		7,061.30
Employee related payables	1,585.50		1,585.50
Security deposits	1,022.53		1,022.53
Trade payables for capital goods	260.94		260.94
Lease liability	180.47	181.74	362.21
Other payables	1,746.26		1,746.26
	11,922.87	181.74	12,104.61

As at 31st March 2023

Particulars	Less than 1 year	More than 1 year	Total
Borrowings	1,343.02		1,343.02
Trade payables	7,788.86		7,788.86
Employee related payables	1,677.07		1,677.07
Security deposits	773.84		773.84
Trade payables for capital goods	247.48		247.48
Lease liability	211.12	165.89	377.01
Other payables	1,282.73		1,282.73
	13,324.11	165.89	13,490.00

(iv) Price risk

Exposure from investment in equity instruments

The Company's exposure to price risk arises from investments in equity instruments held by the Company and classified in the balance sheet as fair value through profit or loss. To manage its price risk arising from investments in equity instruments, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

Sensitivity:

Instruments	As at 31 March 2024		As at 31 March 2023	
	Change	Change in value of Investment*	Change	Change in value of Investment*
Equity Instruments	5% Increase	521.17	5% Increase	309.96
	5% Decrease	(521.17)	5% Decrease	(309.96)
Preference shares	5% Increase	49.90	5% Increase	49.90
	5% Decrease	(49.90)	5% Decrease	(49.90)
Mutual Funds	5% Increase	480.40	5% Increase	196.53
	5% Decrease	(480.40)	5% Decrease	(196.53)

* Negative values indicate decrease in value of investment

(v) Interest risk

Assets

The Company's financial assets are carried at amortised cost and are at fixed rate only. They are, therefore, not subject to interest rate risk since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Notes to the standalone financial statements for the year ended 31st March 2024

(All amounts in Rupees Lakhs unless otherwise stated)

53 DGGI proceedings

During financial year 2020-21, officers of Directorate General of Goods and Service Tax Intelligence (DGGI) Headquarters, conducted search at certain premises of Company. These search operations led to certain queries regarding Company's claim for refund of GST amount under 'Scheme of Budgetary Support' notified by Ministry of Commerce and Industries (Department of Industrial Policy and Promotion) ('DIPP') for the period from July 2017 to June 2019. Additional refunds for the period from July 2019 to December 2019 were temporarily withheld pending further examination.

Subsequent to their enquiry, the Central Goods and Service Tax Commissionerate, Roorkee Division issued a demand note, seeking payment of Rs. 1,527.48 Lakhs alongwith interest @ 15% per annum for alleged excess refund claimed for the period from July 2017 to June 2019. In response to this, the Company has filed a writ petition before Hon'ble Uttarakhand High Court, challenging the validity of aforesaid demand note and the demand has been stayed by Court.

In accordance with Ind AS 37 on 'Provisions, Contingent Liabilities and Contingent Assets', the Company has recognised the aforesaid demand of Rs. 1,527.48 Lakhs (excluding interest) as a contingent liability in the financial statements. Furthermore, the alleged excess GST Refund amount claimed for the remaining period from July 2019 to December 2019, amounting to Rs. 224.79 Lakhs, for which refunds are withheld, is also considered as contingent liability. Against aforesaid contingent liability of Rs. 1,752.27 Lakhs, Company has taken following actions:

a) The Company has considered the budgetary support refunds pending for the period from July 2019 to September 2019, amounting to Rs. 728.08 Lakhs, as "paid under protest"

b) Additionally, the Company has separately paid Rs. 1,024.00 Lakhs under protest in favour of PAO, DPIIT A/c No. 08445015001823, in July 2021

As per Management's detailed analysis, all budgetary support refund claimed and availed by the Company has been in accordance with Budgetary Support Scheme notified by the Ministry of Commerce and Industries (DIPP). Based on said analysis and further guided by its legal counsel, the Company is of the view that it has robust grounds to contest the aforesaid demand. Management is confident that aforesaid ongoing litigation will not have a material adverse effect on the financial position of the Company. Therefore, no provision for the potential liability has been recognised in the financial statements.

Kent RO Systems Limited
Notes to the standalone financial statements for the year ended 31st March 2024
(All amounts in Rupees Lakhs unless otherwise stated)

54 Income Tax proceedings

During the financial year 2021-22, the Income Tax Department conducted search in premises of Company. Following the search, the Income Tax Department carried out assessments for Assessment Years (AY) 2018-19 to 2022-23.

As of the date of these financial statements, the Company has recognised the tax demands raised by Income Tax Department as a contingent liability in accordance with Ind AS 37 on 'Provisions, Contingent Liabilities and Contingent Assets'. However, it is important to note that for AY 2018-19, 2019-20 & 2020-21, the additional demand raised by the Income Tax Department has been fully adjusted against the unutilized Minimum Alternate Tax (MAT) Credit, that was surrendered by Company in AY 21-22, in view of its opting for new tax regime under Section 115BAA of Income-Tax Act, 1961. Therefore, even in the event of unfavorable outcome in the appeals filed by the company for these years, the contingent liability of Company would remain NIL.

The Company, based on the advice of its legal counsel, believes that it is likely to succeed in its appeals for the aforesaid assessment years and the outcome of the aforesaid pending litigations will not have a material adverse effect on the financial position of the Company. Therefore, no provision for the potential liability has been recognised in the financial statements.

- 55 The company has implemented features of recording audit trail in accounting software used with effect from 24th August 2024 used by the company for maintaining its books in accordance with the provision of Companies Act and rules therewith.
